EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPLF445	Line filter 250 V - 16 A mono 2-stage	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPCGD83B	CJ856 motor board and CJ848 microprocessor board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPJZ038	General power supply board; 225 W AC/DC +5 V +24 V	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPJZ036	Power factor correction board; 400 V DC - 6 A (230 V)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPCJ858B	Rotation detector board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPCGD32B	Movement assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPLZ066	Y motor	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPCJ917	Movement detector board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPCPA38	Stop switch	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPCPA36	On/off switch	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPCPA42	Column movement detector cable	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPCGD40	Head cable kit	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	HEAD ASSEMBLY	SPCGD39	Head top cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCGC95	CS 8100 sensor **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCGC95	CS 8100 sensor - Age out of warranty Year 1 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCGC95	CS 8100 sensor - Age out of warranty Year 2 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCGC95	CS 8100 sensor - Age out of warranty Year 3 **	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 8100 Extraoral Imaging System	ROTATIVE ARM	SPCU257	XRAY SOURCE ASSEMBLY (2D SC-T) **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100 Extraoral Imaging System	ROTATIVE ARM	SPCU257	XRAY SOURCE ASSEMBLY (2D SC-T) - Age out of warranty Year 1 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100 Extraoral Imaging System	ROTATIVE ARM	SPCU257	XRAY SOURCE ASSEMBLY (2D SC-T) - Age out of warranty Year 2 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100 Extraoral Imaging System	ROTATIVE ARM	SPCU257	XRAY SOURCE ASSEMBLY (2D SC-T) - Age out of warranty Year 3 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPHY455	Sensor cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCGL47	Head and chin rest	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCPA93	Secondary collimator motor cable	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPHY454	Rotative arm cover (power board side)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCGF4X	Front collimator motors (x2)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCJ889	CJ889 secondary collimator driver board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPHY456	Grey sensor band	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCGD41	ROTATIVE ARM CABLE KIT	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCGD82B	Power board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCGK42	Cable Kit for Blade Collimator	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCJ848	Microprocessor board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCGJ92	SECONDARY COLLIMATOR ASSEMBLY (2D CEPH)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPHY463	Head stop for positioning mask	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPCGK42N	CABLE KIT FOR BLADE COLLIMATOR N	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	ROTATIVE ARM	SPJR846	ROTATIVE ARM COVER (GENERATOR SIDE)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGJ74	Sensor assembly for the cephalostat **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGJ74	Sensor assembly for the cephalostat - Age out of warranty Year 1 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGJ74	Sensor assembly for the cephalostat - Age out of warranty Year 2 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGJ74	Sensor assembly for the cephalostat - Age out of warranty Year 3 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPHRA97	Access panel for CJ898 ethernet switch board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGL14	Cephalostat arm cable kit	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGJ79	Head positioning mechanism	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPJR306	Head stop	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPHY555	Plastic cable guide	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCJ898P	CJ898 ethernet switch board for the cephalostat	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGK07	Arm assembly for the cephalostat	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGJ8X	Cephalostat head clamps set (left and right)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPHY556	Collimator assembly for the cephalostat	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGK64	Carpus hole cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGL29	COVER SET FOR THE CEPHALOSTAT SENSOR	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGJ47	Cephalostat CJ901 motor board and CJ848 microprocessor board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGK06	Cephalostat resistive track assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8100SC Extraoral Imaging System	CEPHALOSTAT	SPCGJ88	Cephalostat collimator belt assembly	Click on Description and search for more information in eParts

Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPCU252	X-RAY GENERATOR** - Age out of warranty Year 3	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPHY579	3D Sensor cover (for unit SN# xxIMxxx OR xxINxxx OR xxLxxx)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPHY580	Sensor plastic strip (for unit SN# xxIMxxx OR xxINxxx OR xxLxxx)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPHY696	Rotative arm cover (power board side for unit SN# xxLxxx)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPHY702	Sliding Protection Cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPJR880	Rotative arm cover (X-ray source side) (for unit SN# xxIMxxx OR xxINxxx OR xxLxxx)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPLZ079	Sliding Motor LINEAR ACTUATOR	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPCGM49	Rotative arm cable kit for units with serial numbers xxIMxxx or xxINxxxx or xxLxxx	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPCGV10	SENSOR SLIDING ASSEMBLY (ACCESS)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPLZ081	SLIDING LINEAR ACTUATOR (ACCESS)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPCGV14	ACCESS 3D SENSOR **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPCGV14	ACCESS 3D SENSOR - Age out of warranty Year 1 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPCGV14	ACCESS 3D SENSOR - Age out of warranty Year 2 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPCGV14	ACCESS 3D SENSOR - Age out of warranty Year 3 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPCGV11	ACCESS SLIDING CABLE KIT	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	ROTATIVE ARM	SPJR889	SENSOR FRONT COVER CS8200 3D ACCESS	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	HEAD AND CHIN REST	SPCGH13	TEMPLE SUPPORT MOTOR ASSEMBLY (Including CGH73SP- Temple support limit	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	HEAD AND CHIN REST	SPCGH14	TEMPLE SUPPORT MECHANISM	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	HEAD AND CHIN REST	SPCGH74	Potentiometer for Temple Support Mechanism	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	HEAD AND CHIN REST	SPCGT86	Head and chin rest	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	HEAD AND CHIN REST	SPCJ894	TEMPLE SUPPORT DRIVER BOARD	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	HEAD AND CHIN REST	SPCPA92-2	CPA92-2 3D Mask Cable	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	HEAD AND CHIN REST	SPHR992	Knob	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	HEAD AND CHIN REST	SPHRA05	Temple support (x2)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	HEAD AND CHIN REST	SPHRA35	Head Positioning Strap	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	HEAD AND CHIN REST	SPHY459	HEAD AND CHIN REST COLLAR	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	HEAD AND CHIN REST	SPHY5742	CS 8200 3D POSTIONING MASK	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	HEAD AND CHIN REST	SPCGV24	HEAD AND CHIN REST CS 8200 3D ACCESS	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CONTROL PANEL	SPJPE77	CONTROL PANEL CS 8200 3D	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CONTROL PANEL	SPJPF10	CONTROL PANEL CS 8200 3D ACCESS	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPCPA42	COLUMN MOVEMENT DETECTOR CABLE	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPCPA49	MAIN SUPPLY CORD TO FILTER IN	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPLW108	FUSE 12A - 5x20 - T (110V)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPLW190	Fuse (2 A - 5x20 - T) on the CJ856 motor board	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPCGD44	SCREW SET	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPLW197	FUSE 6.3A - 5x20 - T	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPOU018	TOOL FOR CONNECTOR PIN	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	Scan Ceh spare parts	SPCJ898P	ETHERNET SWITCH BOARD (POE)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	Cephalostat	SPCGJ74	SENSOR ASSEMBLY FOR THE CEPHALOSTAT **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	Cephalostat	SPCGJ74	SENSOR ASSEMBLY FOR THE CEPHALOSTAT - Age out of warranty Year 1 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	Cephalostat	SPCGJ74	SENSOR ASSEMBLY FOR THE CEPHALOSTAT - Age out of warranty Year 2 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	Cephalostat	SPCGJ74	SENSOR ASSEMBLY FOR THE CEPHALOSTAT - Age out of warranty Year 3 **	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPHRA97	Access panel for CJ898 ethernet switch board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGL14	Cephalostat arm cable kit	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGJ79	Head positioning mechanism	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPJR306	Head stop	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPHY555	Plastic cable guide	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCJ898P	CJ898 ethernet switch board for the cephalostat	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGK07	Arm assembly for the cephalostat	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGJ8X	Cephalostat head clamps set (left and right)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPHY556	Collimator assembly for the cephalostat	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGK64	Carpus hole cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGL29	COVER SET FOR THE CEPHALOSTAT SENSOR	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGJ47	Cephalostat CJ901 motor board and CJ848 microprocessor board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGK06	Cephalostat resistive track assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGJ88	Cephalostat collimator belt assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCJ903	CJ903 Resistive track connector board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGL15	Cephalostat sensor cable kit	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPJV153	Cephalostat motor transmission belt	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGJ89	Cephalostat sensor belt assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGK04	Cephalostat drive motor	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGJ83	Cephalostat transmission assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	CEPHALOSTAT	SPCGK57	Cephalostat head cable kit	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPCJ848	Microprocessor board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPCGD44	Installation set for column, head assembly, and rotative arm	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPCGK99	Installation set for cephalostat	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPLW197	Fuse (6.3 A - 5x20 - T) on the JZ036 power factor corrector board for mains voltage 200	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPLW108	Fuse (12 A - 5x20 - T) on the JZ036 power factor corrector board for mains voltage 100	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	MISCELLANEOUS	SPCGK31S	SCAN CEPH SENSOR HOLDER	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	Scan Ceh spare parts	SPCJ898P	ETHERNET SWITCH BOARD (POE)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	XRAY SOURCE ASSEMBLY CS 8200 3D Advance	SPCU277	XRAY SOURCE ASSEMBLY (3D WIDE - CEI)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 8200 3D Extraoral Imaging System	XRAY SOURCE ASSEMBLY CS 8200 3D Advance	SPCU280	XRAY SOURCE ASSEMBLY (3D WIDE - CANON)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPCG852	MOTORIZED COLUMN FOR 9000	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPCG463	Wall mounting brackets	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPDB209	End limit switch activator	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPHR332	ON/OFF power switch fixing cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPLS133	ON/OFF power switch	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPJW153	Column 2 reinforcement jack	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPCP581	Electric linear actuator	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPHY301	Column connecting terminals cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPCG865	Cable kit for motorized column	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPCG492	Wall mounting brackets cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPHY300	Column top cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPCG796	X-ray remote control and mounting hook	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	COLUMN	SPHR614	BLADE KIT FOR REINFORCMENT JACKS	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS - COLUMN AND HEAD	SPHY340	Under the head front cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS - COLUMN AND HEAD	SPHY341	Column side covers	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS - COLUMN AND HEAD	SPHR611	Protection plate (not in the complete set)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS - COLUMN AND HEAD	SPCGA18	Set of plastic covers for column and head	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS - COLUMN AND HEAD	SPHY366	Unit head cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS - COLUMN AND HEAD	SPHR611	Protection plate (not in the complete set)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS - COLUMN AND HEAD	SPHY370	Under the head back cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS - COLUMN AND HEAD	SPHY369	Under the head front cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS - COLUMN AND HEAD	SPHY368	Column left side cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS - COLUMN AND HEAD	SPHY367	Column right side cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS - COLUMN AND HEAD	SPHY371	Column inside cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS - COLUMN AND HEAD	SPCGA18	Set of plastic covers for column and head	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCI979B	CJ732 microprocessor board for sector collimator	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPLP668	EEPROM x2 (last version) for sector collimator	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCI980B	CJ732 microprocessor board for blade collimator	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPLP669	EEPROM x2 (last version) for blade collimator (Unit serial number xxAExxx / xxAFxxx /	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPDU514	Double pitch worm Y	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPJB181	2 Bearings X or Y	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPJV126	Encoder rubber belt replacement Only for CS 9000 unit SN# xxACxxx and	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCG880	Optical encoder assembly (with pulley belt - Unit serial number up to WKAH046)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCG985	Optical encoder assembly (Unit serial number from WKAH047)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPJZ030	Digital sensor power supply JZ030 board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPDU513	Double pitch worm X	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPLZ052	Flexible motor coupling motor X or Y	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCG898	Motor assembly X or Y	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPLF439	2 Capacitors LF439	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCJ653	CJ653 inverter board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCJ699	CJ699 motor board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPLF440	LF440 Line filter	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCJ777B	CJ777 filter board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCG945	Rotative arm motor assembly (Other than unit serial N° xxACxxx)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCG904	Rotative arm motor assembly (Unit serial number all xxACxxx)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPLK218	LK218 Harmonic filter	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPJZ024	Microprocessor board power supply JZ024	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPJ708XB	Step motor drive 708 board for X and Y movement	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPJ708ZB	Step motor drive 708 board for rotative movement	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCJ691B	CJ691 laser board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCJ822B	Optical switch board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPCGE20	XY TRANSLATION KIT	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	HEAD ASSEMBLY	SPJZ042	POWER SUPPLY 15V 6,7A	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCG891	Rotative arm cable kit	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCGA79	3D digital sensor	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCGB01	Panoramic digital sensor	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCG879	Sensor select motor assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCJ691B	Laser CJ691 board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCU227	XRAY SOURCE ASSEMBLY (FS 0,5MM)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPLP648	Laser	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCJ844B	Flip CS 9000C DC motor board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCJ845B	Flip CS 9000 / Sector collimator DC motor board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCJ666B	Collimator detection board (Unit serial number xxACxxx / xxADxxx /	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCG878	Horizontal positioning laser assembly (Unit serial number xxACxxx / xxADxxx /	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCG872	3D collimator plate assembly (Unit serial number xxACxxx / xxADxxx /	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCG876	Collimator select motor assembly (Unit serial number xxACxxx / xxADxxx /	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPHR622	Panoramic laser knob (Unit serial number xxACxxx / xxADxxx /	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCG956	Horizontal positioning laser assembly (Unit serial number xxAExxx / xxAFxxx /	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCG957	Cephalostat Frankfort positioning laser assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCJ821	Blade collimator pilot board (Unit serial number xxAExxx / xxAFxxx /	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPHR669	Blade collimator (Unit serial number xxAExxx / xxAFxxx /	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCGA23	Collimator fixing ring (Unit serial number xxAExxx / xxAFxxx /	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPLPA02	Blade Collimator Laser	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	ROTATIVE ARM	SPCGJ98	ROTATIVE ARM CABLE KIT (9000)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS FOR ROTATIVE ARM - SECTOR	SPHY363	Generator front cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS FOR ROTATIVE ARM - SECTOR	SPHY364	Generator rear cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS FOR ROTATIVE ARM - SECTOR	SPHY365	Rotative arm top cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS FOR ROTATIVE ARM - SECTOR	SPHY362	Rotative arm bottom cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS FOR ROTATIVE ARM - SECTOR	SPHY361	Digital sensor cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS FOR ROTATIVE ARM - SECTOR	SPCGA76	Set of plastic covers for rotative arm / sector collimator	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS FOR ROTATIVE ARM - SECTOR	SPDU526	Generator front cover	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS FOR ROTATIVE ARM - SECTOR	SPHY379	Generator rear cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS FOR ROTATIVE ARM - SECTOR	SPHY381	Rotative arm top cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS FOR ROTATIVE ARM - SECTOR	SPHY382	Rotative arm bottom cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS FOR ROTATIVE ARM - SECTOR	SPHY383	Digital sensor cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS FOR ROTATIVE ARM - SECTOR	SPCGA76	Set of plastic covers for rotative arm / sector collimator	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS FOR ROTATIVE ARM - BLADE	SPCY397	Generator front cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS FOR ROTATIVE ARM - BLADE	SPHY364	Generator rear cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS FOR ROTATIVE ARM - BLADE	SPHY365	Rotative arm top cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS FOR ROTATIVE ARM - BLADE	SPHY362	Rotative arm bottom cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS FOR ROTATIVE ARM - BLADE	SPHY361	Digital sensor cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIBER COVERS FOR ROTATIVE ARM - BLADE	SPCGA75	Set of plastic covers for rotative arm / blade collimator	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS FOR ROTATIVE ARM - BLADE	SPHY380	Generator front cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS FOR ROTATIVE ARM - BLADE	SPHY379	Generator rear cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS FOR ROTATIVE ARM - BLADE	SPHY381	Rotative arm top cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS FOR ROTATIVE ARM - BLADE	SPHY382	Rotative arm bottom cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS FOR ROTATIVE ARM - BLADE	SPHY383	Digital sensor cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	PLASTIC COVERS FOR ROTATIVE ARM - BLADE	SPCGA75	Set of plastic covers for rotative arm / blade collimator	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPCG863	Cable kit - fixed arm	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPCGD34B	Control panel assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPCJ844B	Chin rest DC motor board	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPHR596	Hand grips	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPCG866	Chin rest base	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPCG889	Chin rest mechanical motor assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPCG854	Chin rest mechanical assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPHY332	Bottom chin rest mechanical assembly cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPHY333	Chin rest base cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPJP109	Chin rest label	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPHY334	Chin rest mechanical assembly front cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPHY335	Chin rest mechanical assembly back cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	FIXED ARM	SPCG982	Temple support	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPCG892	Low voltage cable kit	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPCG893	Power cable kit	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPCG894	Laser cable kit	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPCG858	Screw set for arm	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPCG888	Screw set for cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPLP621	Microprocessor board U15 battery (black)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPWJ009	Lubrication Kit for XY mvmt	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPDB329	Pulley Brake shoe	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPCG987	Rotative arm driven wheel	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPCGB90	Panoramic installation screw set	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPHY597	CAPACITOR PROTECTION	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPNG005	SPECIFIC SCREW - ISO 10642 - M8 X 50	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000 Extraoral Imaging System	MISCELLANEOUS	SPCGJ93	LOW VOLTAGE CABLE KIT (9000)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPCG938	Head positioning mechanical assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPCG90X	Head clamps kit	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPJR306	Head stop	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPHR698	Carbon fiber screen	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPCG907	Control box	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPHY388	End of the arm attachment cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPHY390	Head top cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPHY389	Head side cover	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPCG928	Cable kit for cephalostat arm	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPCP965	Fan assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPIZ031	Power supply +6.5V, +15V, -15V 65W	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPCGA98	Cephalostat cover kit CS 9000C	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	CEPHALOSTAT	SPCGE20	XY TRANSLATION KIT	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	COLUMN	SPHR614	BLADE KIT FOR REINFORCEMENT JACKS	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	ROTATIVE ARM	SPCGJ98	ROTATIVE ARM CABLE KIT (9000)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	MISCELLANEOUS	SPCG986	Cephalostat head assembly	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	MISCELLANEOUS	SPCG966	Fixing screws set for the cephalostat arm	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	MISCELLANEOUS	SPHY597	CAPACITOR PROTECTION	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9000C Extraoral Imaging System	MISCELLANEOUS	SPCGJ93	LOW VOLTAGE CABLE KIT (9000)	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9300 Extraoral Imaging System	DIGITAL SENSOR	SPIM620B	Digital sensor	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9300 Extraoral Imaging System Select	15x15 Digital sensor	SPIM632	15x15 Digital sensor For CS 9300 Select Only. For CS 9300 or	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9300 Extraoral Imaging System	COLUMN	SPCG463	Wall mounting bracket	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9300 Extraoral Imaging System	COLUMN	SPDB209	End limit switch activator	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9300 Extraoral Imaging System	COLUMN	SPHR332	ON/OFF power switch fixing cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9300 Extraoral Imaging System	COLUMN	SPLS133	ON/OFF power switch	Click on Description and search for more information in eParts

EMEA Spare Parts Price List_September 1th, 2024

Digital Extraoral Radiography	CS 9300 Extraoral Imaging System	COLUMN	SPJW153	Column 2 reinforcement jack	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9300 Extraoral Imaging System	COLUMN	SPCP581	Electric linear actuator	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9300 Extraoral Imaging System	COLUMN	SPHY301	Column connecting terminals cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9300 Extraoral Imaging System	COLUMN	SPHY371	Column inside cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9300 Extraoral Imaging System	COLUMN	SPHY368	Column left side cover	Click on Description and search for more information in eParts
Digital Extraoral Radiography	CS 9300 Extraoral Imaging System	COLUMN	SPHY367	Column right side cover	Click on Description and search for more information in eParts
